ISLE OF SKYE SMOKEHOUSE

Isle of Skye Smokehouse Newsletter

June 21

Dear Olivia,

Summer is well and truly upon us now; with the temperatures soaring, so are our spirits! It's lovely sharing the long evenings with friends, and with a bountiful supply of delicious seafood we're never short of some fabulous morsels to tempt them with. Friends visiting from further south always rave about our fresh, local [langoustines](#), served simply with some garlic butter.

Father's Day Shellfish Selection

With Father's Day approaching on Sunday 20th June it's always tricky to come up with a gift you know Dad will love, which is why we've created this special [Father's Day Shellfish Selection](#) to make life easier for you. Dad will love tucking into our cracking crab claws, succulent mussels, juicy prawn meat and of course, our deliciously salty

oysters.

To ensure that your product arrives in plenty of time and still fresh and tasty for Father's Day, we are providing an extra delivery day of **Friday 18th June**. To receive your seafood on the 18th, orders must be placed by **5pm on Wednesday 16th June**.*

Visit our [online shop](#) to order today, or give us a call on **0800 781 3687**.
