ISLE OF SKYE SMOKEHOUSE

## Isle of Skye Smokehouse Newsletter

March 2

Dear Olivia,

Here I am harping on about the weather again but we are just so delighted to see the sun splitting the sky up here on Skye. There's still a heap of snow though (I've lost Murph in a snow drift a couple of times now!), which makes for an absolutely magical landscape to be out walking in - and of course coming in from the cold to a tasty bowl of [mussels](#) or some milk poached [smoked haddock](#) is such a treat.

### Shellfish treat with every smoked fish order

Just because we think you deserve a treat for being one of our loyal customers, with every order for some of our beautiful [smoked fish](#) placed before the end of March, we'll include a 500g bag of [smoked mussels](#) in the shell. If you've never tried smoked mussels you are in for an absolute treat; bursting with flavour they work well with a pancetta and chilli sauce, adding a wee bit of a bite on the back of the delicate, smokey flavour. To place your order now, just fill up your creel at our [online shop](#), or give us a call on **0800 781 3687**.

Warm regards,
