Dear Olivia,

This is my favourite time of year in Scotland. The weather is starting to settle, so after the mist has lifted off the water in the early mornings, we're faced with beautiful clear sunny days - and it's still too early for midges, thankfully! When Murph and I head out these days, we always have a packed lunch with us; our [Isle of Skye Smoked Salmon](#) between thick slices of wholemeal bread and a generous helping of cream cheese is just the ticket to keep us going through the day.

Catch of the Day Gift

Just because the weather has us all in such a good mood, we thought we'd pass a wee treat onto you. For every order over £10*; placed during the month of May we'll include a 'Catch of the Day' gift! We've got some delicious smoked oysters at the moment to go in with the first few orders.

To place your order now, just fill up your creel at our [online shop](#), or give us a call on **0800 781 3687**.

Warm regards,

John Gilbertson
Isle of Skye Smokehouse

P.S. Remember we deliver UK-wide and our [seafood delights](#)

always make a welcome gift!

*To receive our Catch of the Day Gift, all orders must be for a total value of £10, excluding delivery charges. Offer open until 11.59pm on 31st May 2010.
